The Secretary shall keep the minutes of all meetings of the Board of Directors, and the minutes of all meetings of the Association; he shall have charge of such books and papers as the Board of Directors may direct; and he shall, in general, perform all the duties incident to the office of Secretary.

Section 20. Treasurer. The Treasurer shall have responsibility for Association funds and securities, and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name, and to the credit, of the Association in such depositories as may from time to time be designated by the Board of Directors.

Article V -Assessment And Collection Of Common Expenses

As more fully provided in the Declaration of Covenants, Conditions and Restrictions, each lot owner is obligated to pay to the Association annual and special assessments which are secured by a continuing lien against the Lot against which is made, which lien is in favor of the Association and shall come into effect upon recordation of the Declaration of Covenants, Conditions and Restrictions. Said lien shall secure not only unpaid, delinquent assessments, but also reasonable attorney's fees and other costs of collecting assessments and interest at the highest lawful rate. Said lien shall date back to the date of recording of the Declaration of Covenant, Conditions and Restrictions and shall be prior to the creation of any homestead status or subsequent lien or encumbrance, except that said lien shall be subordinate and inferior to that of any institutional first mortgage lender.

Article VI – Annual Budget

Pursuant to Article IV, section 2, paragraph b. of these Bylaws, the Board of Directors shall have the power and duty of preparing and adopting an annual operating budget for the Association. Each Lot owner shall be given written notice of the time and place at which the meeting at which the budget will be considered shall be held, and such meeting shall be open to the Lot owners. If a budget is adopted by the Board of Directors which requires assessment against the Lot owners in any fiscal or calendar year exceeding one hundred fifteen per cent (115%) of such assessments for the preceding year, upon written application of ten per cent (10%) of the Lot owners, a special meeting of the Lot owners shall be held upon not less than ten (10) days' written notice to each Lot owner, but within thirty (30) days of the delivery of such application to the Board of Directors or any member thereof, at which special meeting Lot owners may consider and enact a revision of the budget, or recall any and all members of the Board of Directors and elect their successors. In either case, the revision of the budget or the recall of any and all members of the Board of Directors shall require a vote of not less than two-thirds (2/3) of each Class of members of the Association. In determining whether assessments exceed one hundred fifteen per cent (115%) of similar assessments in prior years, there shall be excluded in the computation any provision for reasonable reserves made by the Board of Directors in respect of repair or replacement of the property or in respect of anticipated expenses by the Association which were not anticipated to be incurred on a regular or annual basis. There shall also be excluded from such computation assessments for betterments to the property. An

example of this procedure is if a previous year's assessments for a Lot were \$150.00 per year, then the assessment may increase to \$172.50 per year by Board of Directors action alone.

The proposed annual budget shall be detailed and shall show the amounts budgeted by accounts and expense classifications.

Article VII – Amendment of Bylaws

The Bylaws of the Association may be modified, amended or revoked, unless specifically prohibited elsewhere herein, at any regular or special meeting of the members of the Association by not less than seventy-five percent (75%) of the votes of the entire membership of the Association, provided that no less than fourteen (14) days' notice of said meeting has been given to the members of the Association, which notice contained a full statement of the proposed modification, change or revocation.

The foregoing were adopted as the Bylaws of Lost River Preserve Property Owners' Association, a corporation not for profit under the Laws of the State of Florida, at the first meeting of the Board of Directors on _____, 2002.
